FOR IMMEDIATE RELEASE

Jan. 9, 2007

I-80/94 lanes restricted while ramp is widened to two lanes

Restrictions scheduled for 9 p.m. today to 5 a.m. Jan. 10

GARY, Ind. – The Indiana Department of Transportation (INDOT) announces that tonight, eastbound I-80/94 will be restricted to two lanes from 9 p.m. to midnight and restricted to one lane from midnight to 5 a.m. near the ramp to southbound I-65. Once the restrictions are completed, the ramp will open to two lanes. This work is part of the Major Moves New Construction interchange improvement project at Interstate 65 and Interstate 80/94 (the Frank Borman Expressway).

On the new ramp, the right lane will become an exit-only lane for Ridge Road. The left lane will continue to southbound I-65. INDOT reminds drivers to use caution and consider worker safety when traveling through a highway construction zone. This work is weather dependant.

Major Moves fully funds a decade of critical highway projects in Indiana. When Major Moves is complete in 2015, more than 200 new construction and 200 major highway preservation projects will have been built. This innovative plan will bring jobs to the Hoosier State and leave a legacy for Indiana to be a global leader in distribution and logistics.
